All Melbourn VC Squash Club members are eligible for individual England Squash Membership through Melbourn's club affiliation. England Squash Membership provides a variety of [benefits](#) such as public liability and personal accident insurance, coaching videos and aids, early access to British Open and British Nationals tickets, and discounts with some Squash equipment retailers. Some benefits, i.e. insurance, only accrue after the individual member has activated their account with England Squash.

N.B. England Squash Membership is a requirement for anyone seeking to play representative Squash.

Players can arrange their Membership directly with England Squash, or the club can organise this on your behalf. If you wish the club to do this, we will need permission to pass on your full name, date of birth, gender, and, for adults only, a valid email address to England Squash to complete the registration. Please tick the box below to add £12.50 to your annual subscription (£10.00 for Juniors (U19)) and confirm the club has permission to forward the necessary details.
