N.B. Melbourn VC Squash Club previously offered to arrange individual England Squash Memberships for players through Melbourn's club affiliation. However, the way England Squash run their Membership is change in summer 2024, and the club can no longer offer to do this – anyone who wants or needs an England Squash Membership will need to arrange this directly with the governing body.

N.B. England Squash Membership is a requirement for anyone seeking to play representative Squash. If you want more information about how to sort this, please contact Club Secretary Jan Brynjolffssen.

England Squash Membership provides a variety of benefits such as public liability and personal accident insurance, coaching videos and aids, early access to British Open and British Nationals tickets, and discounts with some Squash equipment retailers. Some benefits, such as insurance, only accrue after the individual member has activated their online account with England Squash.
